

HSUHK Business Translation Centre

Language Services By HSUHK

To enhance co-operation with the business community, the School of Translation and Foreign Languages of The Hang Seng University of Hong Kong provides language services to companies in various business sectors.

What you get from us

Translating

We translate between English and Chinese for a wide range of documents including brochures and newsletters, video scripts, research reports, etc.

Interpreting

We provide consecutive interpreting and simultaneous interpreting services between English, Cantonese, and Putonghua.

Editing

We polish your draft text by correcting spelling, grammar and punctuation mistakes and ensuring a consistent writing style.

How you can benefit from us

Quality

- All our student are well-trained translators.
- All the translations are reviewed by professional translators and professors of translation.

Expertise

- We are supported by experts and professors of various disciplines.

Technology

- We have access to the latest translation technology to ensure that terminologies in our translations are consistent.
